

**SOUTHEAST MICHIGAN PRODUCERS ASSOCIATION
(SEMPA)**

SEMPA is farmer cooperative of small and limited resource producers to provide naturally grown food products collaboratively while maintaining stability, building capacity and providing opportunity as farm operations.

SEMPA produce over 400 farmland acres located in Wayne, Monroe, and Washtenaw Counties and seek opportunities to supply areas institutions including schools, restaurants, and adult/child care facilities.

SEMPA fosters grassroots economics and is establishing the foundation for a local food system targeted at areas where there is limited food access.

PRODUCTS: Cabbage, Broccoli/Cauliflower, Cucumbers, Green Beans, Greens (Salad, Kale, Mustard, Turnip, Salad, Spinach), Okra, Onions, Peppers, Peas, Potatoes, Sweet Potatoes/Yams, Squash/Zucchini, Tomatoes
Apples, Blueberries, Cantaloupe, Cherries, Strawberries, Watermelon
(All items based on seasonal availability)
