**ATTENTION SMALL ACREAGE  
BLUEBERRY FARMERS IN  
BANGOR AREA.**

We are looking for a few farmers  
for the 2014 season who:

1. Don't use chemical fertilizers or pesticides **OR**
2. Have a few separated or segregated acres they are willing to convert to "naturally grown"

We are looking for small tracts of Early blue, Bluettas, Blue crop, and Elliots. We'll help you change over and we'll pay top dollar for high quality berries that you deliver from fresh pick. Please email us at:
