

Soil Health Solutions

AN INTERACTIVE WEBINAR TO ADDRESS SOIL HEALTH CHALLENGES ON ALL TYPES OF FARMS

Monday, August 17, 2020 1-4 PM

12:45	Zoom Meeting Opens
1:00 – 1:05	Welcome & Introductions Jason Challandes, SARE Educator, Delaware State University
1:05 – 2:00	The Process of Finding Soil Health Solutions Shannon Zezula, Indiana State Resource Conservationist, NRCS
2:05-2:15	Introductions for case studies & breakout rooms
2:15 – 2:45	Breakout room discussions
2:45 – 4:00	Whole group discussion about case studies and continuing to find soil health solutions in the future

Shannon Zezula is the State Resource Conservationist in Indiana for the USDA Natural Resources Conservation Service (NRCS) where he oversees the technical guidance for field employees related to conservation planning, soil health, agronomy, biology, forestry, and other conservation efforts. He is a graduate of Purdue and The Ohio State University, enjoys hunting, fishing, trapping, rooting for Purdue, the Colts, Pacers, and Phillies, and spending time with his wife, 2 kids, and vizsla.

We would like to know how you use information learned today in your programming and what farmers are implementing. To provide this or for questions about future programming, please contact Jason Challandes, Regional SARE Educator at jchallandes@desu.edu or (302) 388-2241.
