

BUSINESS MANAGEMENT QUESTIONNAIRE**Welcome to Measuring Profitability and Success!**

BUSINESS MANAGEMENT QUESTIONNAIRE

Thank you for your participation in Measuring Profitability and Success. The goal of the project is to show how business technical assistance and financing improve a farm's bottom line and lead to farm success. At the end of the process, the project will produce a report, case studies, and training materials describing when financing and technical assistance are appropriate and useful in improving a farm's financial position.

Your participation will contribute to the success of the project. Taking this survey at the beginning of the project and at the end is a critical step. Thank you. You have received this survey link from your Project Coordinator. They will help with any questions. Please use as much space as needed to provide complete answers. You do not need to complete survey in one sitting. If you do not complete the survey in one sitting your answers will be saved. Please work to the end of your current page and click next to save answers on the page. You must return to your survey using the same computer you started with. After you have completed and submitted your response, your project coordinator will follow up with any questions.

We appreciate your time and effort. Please don't hesitate to contact your project coordinator with questions.

Sincerely,

Dorothy Suput

The Carrot Project, Project Team Leader
