Soil Health and Quality Workshop

August 31, 2016

9 a.m. – 4 p.m.

FAMU Extension and Research Center

4259 Bainbridge Highway

Quincy, FL 32352

On-site registration: \$5

This workshop is open to all crop producers, small scale farmers, pasture and hay producers, organic growers, home gardeners, agriculture teachers, county agents, students, and citizens interested in soil and the environment.

Topics covered:

- **Disinfecting soils**
- **Composting**
- **Soil microorganisms**
- **Cover crops for soil building**
- **Understanding the soil test and determining fertilizer needs**

RSVP by calling 850-599-3546. Due to limited space, all RSVPs must be received no later than August 15.
