

**Farm to School
May 17, 2019
EVALUATION TOTAL 23**

1. In what capacity are you attending this WSARE outreach event?

- Extension/AES: 2
NRCS/USDA:
DoAg:
CLTC:
Farmer/Rancher: 6
Other:
- Sifa Learning Academy
 - Self
 - NGSWCD
 - Ag Teacher
 - Teacher
 - GDOE-OCPEs
 - Non-profit

2. Please rate this following workshop

	<i>Poor</i>		<i>Excellent</i>			NA
	1	2	3	4	5	
Workshop Rating						
a. Preprogram communications						
b. Registration						
c. Conference facility						
d. Convenience of parking						

3. Please give your reaction to the following

	<i>Poor</i>			<i>Excellent</i>	
	1	2	3	4	5
a. Instructor's overall performance					
b. Usefulness of the workshop					
c. Quality/usefulness of materials provided					

4. What one item presented today made a strong impression on you?

- Providing detail of networking
- Grant
- Guam Networking must happen among agencies and partners
- Connectivity Farm 2 school
- The funding and community networking

- The idea that there is too much red tape on Guam to sale produce
- Community networks available on Guam can reach out to fro F2S program
- Awareness of Farm to School programs/ teaching resources
- The similar problems that the state and Guam have
- Strength and weaknesses of local F2S

5. What one activity done today helped you learn the workshop's information?

- Applying for grants
- Slides
- Visuals and interactive conversation with audience
- Discussion and responses
- None that I can think of
- Resources/activities on Guam
- Information for websites (kohala)
- N/A
- Learning available partnerships in F2S
- Walk through partners (network)

6. Did you gain or increase knowledge, awareness, and skills about sustainable agricultural topics, practices, strategies, and approaches?

Yes	11
Somewhat	
No	1

- I gain more knowledge in how to help my newly charter school
- There is much already going on but their needs to be a centralized coordination.
- Networking
- From workshop slides, presenter
- No skills. Time was occupied by talkers
- I did, but still need to do some research on topic

7. What wasn't covered in today's workshop that you would have liked to have seen? And/or how could the workshop have been even better?

- They gave me connections
- Discussion and responses
- Good as is
- Workshop was good can't think of any suggestions
- Service Learning
- In depth example of already running program
- Effective and efficient methods to teach children the value of food eaten to assure observable behavior in choosing such food with school program
- More ideas on how to grow

- What are the next action steps from DOE and F2S
- N/A

8. How do you see using this new information/skill in the next 1-2 months

- I see myself connecting to network and help me prepare my lesson curriculum for the next school year, a lot better
- I'm going to inform fellow members of Coop (FCAG, Inc.)
- Summer break
- No
- Reading WSARE online info
- Discovering more about the various programs available
- Seek nutritional resources for nutritional info local fruits/veg.
- I will try
- Personal planning
- To assist with a community garden

9. What else would you like to learn from CNAS in future workshops? We can teach on a large range of topics.

First Topic of interest:

- Network
- We need more research on farming i.e plants and veg. for bioremediation of soils that are contaminated.
- More agroforestry
- Need written available info of nutritional values of fruits/vegs
- Knowing how to farm
- Actual what to grow, when to grow, how to set it up aquaponics
- Getting my school to do F2S
- Certification programs

Second Topic of interest:

- What can you do as a teacher?
- Agroforestry
- Marketing
- Seasonal growth

Third Topic of interest:

- Nutritional values of fruits/vegs (local) to address existing health conditions (NCD)
- What to grow? when to grow?

Strongly Disagree

14. The material was presented in an organized manner				1	5	9
15. instructor was knowledgeable on the topic				1	3	11
16. I would be interested in attending a follow up, more advanced workshop on this same subject	1			3	2	9

17. Please rate the following:	Poor	Fair	Good	Very Good	Excellent
a. Visuals		1	5	2	7
b. Acoustics			6	4	5
c. Meeting Space			4	3	8
d. Handouts		2	4	3	6
e. The program overall			6	1	8

20. Do you intend to use this knowledge in existing or new educational programs?

Yes	11
No	1
N/A	2

21. Will you be doing anything differently after hearing more about the process? Please Explain:

Yes	7
No	3

- Be more aware of Farm to School activities in the island
- I will be taking a deeper look into the programs available
- Investigate Guam's flow of resource connection
- Work harder at getting F2S programs to my school

22. What did you most appreciate/enjoy/think was best about the course? Any suggestions for improvement?

- I really appreciate how openly everyone was in the workshop to help one another
- Good Subject
- Networking potential
- First time exposure at WSARE level
- None, I can think of
- Very personable and informative
- Need deeper info about ways to improve this program in Guam
- Networking
- None, at this time

23. Additional Comments:

- Information on other agencies of Guam
- Very informative
- None
- Good job! SARE! Comeback!
- SYM
- None
