who gained knowledge

who improved skills

who gained confidence

who made a decision

who implement on-farm
change

any problems or
difficulties

other

12. Anecdotes either from the trainings or about impact?

Ground Work 2016 Educator Evaluation

Didn't offer education

13. Can you tell us why (some reasons why) you weren't able to offer education/TA?

Ground Work 2016 Educator Evaluation

Haven't yet offered, but hope/plan to.

14. Could you tell me anything about your plans, and/or the challenges you've encountered delivering this kind of education?

Resource Hub

15. Did you know that Ground Work created a web-based resource hub?

Yes

No

Comments

Resource hub 1

16. Have you used the resource hub?

- Yes
- No
- Not yet but will do soon

Resource Hub -- Have used it

17. Feedback/suggestions

What did you use?

This coming year, what
else may you be looking
for?

Ground Work 2016 Educator Evaluation

Resource Hub - haven't yet accessed it

I'll send you the link to the resource hub so you can take a look at it.

18. In the meantime, do you have any ideas about what would you be looking for there? We have a few weeks left in the project and may be able to add some materials.

Ground Work 2016 Educator Evaluation

Future needs 1 - Tractors, Equipment, Mechanization

19. At this point, do you think aspiring and beginning farmers (and farm workers) have access to adequate and appropriate tractor, mechanization and equipment education?

- Yes
- No
- Not sure

comments

Ground Work 2016 Educator Evaluation

Tractors/Mechanization PD needs
