

Thank you for your participation in the Iowa Organic Association’s “Growing Organic Expertise in Iowa” February workshop series for Iowa NRCS staff. This program was developed with grant support from the Sustainable Agriculture Research and Education program (SARE) to expand technical support for organic producers in Iowa. We have created a short survey that will help us understand the value of the information presented during these workshops. Your responses are anonymous and greatly appreciated. Please do not hesitate to reach out to IOA at any time with questions or support about organic interests. Thank you!
