Details

The Iowa Organic Association (IOA) and regional partners have developed a program to provide the information, tools and resources needed for agriculture service providers and consultants to support farmers interested in organic transition, diversification and expansion.

This full-day workshop will provide information from organic experts on the National Organic Program, organic certification and transition, organic standards and production practices and insight into current organic market trends and demands.

Space is limited for this full-day workshop and lunch!
Register early and no later than September 27!
\$20 Registration Fee
