

JUNE 28, 2023 PASTURE WALK

Gwenyn Hill Farm - Grazing Warm Season Grasses

Farmer, **Ryan Heinen**, **Gwenyn Hill Farm**, & Pollinator Habitat Specialist, **Micah Kloppenburg**, **Xerces Society**, are assessing Pollinator Habitat and Forage Quality of the prairie Ryan is managing with rotational grazing. Join us to learn more about managing warm season forage; it's quality and quantity and the pollinators who depend upon it.

Time: 5:00 - 7:00 pm - Dinner to follow. Please bring a chair and a water bottle!

Address: N130 W294 Bryn Drive, Waukesha
