January 30, 2024

Southern SARE
University of Georgia
Athens, VA 30602

Enclosed proposal, "Virginia Tech SARE 2024 - 2025 Model State Program (MSP)." This proposal is under the leadership of Dr. Eric Bendfeldt in our School of Plant and Environmental Sciences. Virginia Tech fully supports this initiative. The proposed period of performance for this effort is 07/01/2024 through 06/30/2025, with an estimated cost of \$22,000

All correspondence for this proposal should reference proposal number **PQWT24PD**.

Virginia Tech appreciates the opportunity to participate in this important effort. Further, the referenced proposal has been prepared in accordance with applicable rules and policies regarding proposals and budgets.

Virginia Tech reserves the right to negotiate mutually agreeable terms and conditions at the time of award.

Should you wish to initiate an agreement based on the enclosed proposal, please convey acceptance of the submitted proposal and request agreement initiation in the form of an email sent directly to ospcontracts@vt.edu. Please reference the Proposal Number noted above.

The University appreciates the opportunity to submit this proposal. If fiscal or budgetary questions arise, please feel free to contact Jessi King at 540-231-7521 or jessilp2@vt.edu. Technical questions should be directed to the principal investigator.

Sincerely,

A handwritten signature in blue ink that reads "Lauren P. Maguden for".

Trudy M. Riley
Associate Vice President for Research and Innovation, Sponsored Programs
