

Beginning/Advanced Organic Farming Workshop

Tue, Jul 24, 2018, 9AM – 4:30PM
Wed, Jul 25, 2018, 9AM–4:30PM

UL Cade Farm
1234 W J Bernard Rd
St. Martinville, LA 70582

Louisiana SARE and LSU AgCenter welcome Alex Hitt, co-owner of Peregrine Farm, for a FREE two-day workshop on organic farming practices. Tuesday will begin with basics of organic farming, and Wednesday will focus on advanced organic farming topics driven by the audience. Beginning and advanced farmers, ag professionals, extension agents, and home gardeners interested in small-scale sustainable vegetable production are encouraged to attend! Pre-registration required online at the link below:
