This is it! The finished infographic!

Nice teamwork team! High-fives all around!

I mean it folks, each detail in this infographic has one of your names on it. The level of input and collaboration from this group puts a spring in my step and I hope in yours too! We made something! :)

Whew! As we're savoring our sense of accomplishment please also **SAVE THE DATE: Tuesday May 31, 11:30-1 central** for our next large-group Advisory meeting. We'll be shifting our focus to the survey...what we want to ask and how to structure it. What would YOU like to find out? Current practices? Attitudes/perspectives? Aspirations/goals? Challenges/barriers? It's all in-play, please come lend your insights and perspectives!

Thank you all for your participation, job well done & looking forward to more.
