Build My Future Northcentral WI provides high school students the opportunity to spend a day learning about and interacting with different careers in the home building industry, as well as career opportunities in agriculture and transportation. In collaboration between the Wausau Area Builders Association (WABA) and Northcentral Technical College (NTC), we welcome your students for activities provided by industry partners, which will include hands-on educational displays, equipment operations and learning labs. Lunch and a t-shirt will be included for each participant.
