

Default Question Block

Thank you for taking the time to rank the needs presented in this questionnaire. The needs presented here have been compiled from previous surveys, conversations, emails, and feedback. This is not an exhaustive list, nor is it meant to be. It is a starting point.

The results of this survey will be compiled and the top 3-5 needs will be presented at the next quarterly meeting on October 6th (note the list will be sent out before the meeting for review). At the October quarterly meeting, we will have a solution brainstorming session.

If you know of additional needs you would like to have included in future versions there is space at the end for you to give feedback.

This survey should take 5-10 minutes.

This survey was funded in part by SARE grant ONE18-321
