Cover Crop Field Meeting

November 2nd, 11:00am-1:00pm

**Bohanan Farm, 945 Penacook St,
Contoocook**

Presenters: Carl Majewski, UNH Cooperative Extension & Chad Cochran, USDA

Natural Resources Conservation Service

Refreshments will be provided and the workshop is free of charge.

1.5 Pesticides Credits Available

Please come to this cover crop field meeting to discuss cover cropping techniques and visit demonstration plots conducted at Bohanan Farm.

This meeting will also be a time to learn about Merrimack County Conservation District's new rentable equipment to improve soil health: a lime/wood ash spreader and a mechanical aerator.
