No-Till Intensive Trainings

The University of Vermont Extension is offering a FREE No-Till Intensive Training for Agricultural Service Providers (ASPs)!

Webinar Trainings—8 CCA credits, 1 pesticide credit

Each webinar will host a farmer, researcher, or other expert practitioner. The classes will discuss common obstacles to implementing a successful no-till program, address these issues through field proven technical knowledge, and follow a training plan that will best enable the Agricultural Service Provider to support the farmers in the no-till practice transition.

No-Till & Cover Crop Symposium—5 CCA credits per event

Participating ASPs will attend both the 2019 and 2020 symposiums at no cost to them! Next year's event is scheduled for February 28, 2019 in Burlington, Vermont.

In-Field Intensive Training—6 CCA credits per training

Four (4) in-field intensive trainings will be offered during Summer/Fall 2019. Participating ASPs are required to attend at least one. The in-field intensives will be held in Maine, Massachusetts, and Vermont. They will be hosted by local collaborating farms that have incorporated no-till into their crop management systems. These hands-on workshops will foster a stronger working knowledge of no-till equipment, soil health, fertility, and technology used to make no-till systems successful.

Webinar Dates:

Mondays from

11 AM to 12:30 PM

Webinar Topics:

11/5/18	Introduction to No-Till
11/19/18	Equipment and No-Till Application Tools
12/3/18	Herbicide & Pest Management
12/17/18	Soil & Water Management
1/7/19	Fertility & Manure Management
1/21/19	Precision Ag. Technology for No-Till
2/4/19	Economics of No-Till; Record Keeping
2/18/19	It's a Management Style, Not a Technique

Interested in Enrolling? Register by October 15th, 2018!

Sign up online today at: <https://no-till-intensive-trainings.eventbrite.com>

Enrolled ASPs must commit to attend ALL webinar trainings and ONE in-field intensive training. If you have any questions before enrolling in this free program, please contact:

Heather Darby (heather.darby@uvm.edu) 802-524-6501

Jeff Sanders (jeffrey.sanders@uvm.edu) 802-524-6501

Kirsten Workman (kirsten.workman@uvm.edu) 802-388-4969

To request a disability-related accommodation to participate in this program, please contact Susan Brouillette at (802)524-6501 or susan.brouillette@uvm.edu by October 12, 2018 so we may assist you.

This material is based upon work supported by the National Institute of Food and Agriculture, U.S. Department of Agriculture, through the Northeast Sustainable Agriculture Research and Education program under sub-award number ENE18-149.
