## Plant Production Lunch and Learn Webinar Series for Green Industries

Every Tuesday from February 2 - March 30, 12:00p.m.-1:00p.m.

The UNH Cooperative Extension Landscape and Greenhouse Team is hosting a Plant Production lunch and learn webinar series. You can attend as many or as few as you like. Register and select the sessions you would like to attend. You will receive an email with a link to the webinar.

*\*One pesticide credit will be available for each of the talks indicated and will be available to participants from **New England** states who attend live.*

**To register:** <https://bit.ly/PlantWebinar>

**Cost:** \$20 for each webinar; \$100 flat rate for registration in 6 or more webinars

Questions? Contact [Shyloh.Favreau@unh.edu](mailto:Shyloh.Favreau@unh.edu) or call 603.862.3200

**\*Tuesday, February 2, 12:00p.m.-1:00p.m**

### **Evaluating Biochar for Use in Field and Container Nursery Crop Production**

*Dr. Deborah Aller, Agricultural Stewardship Specialist, Cornell Cooperative Extension*

**\*Tuesday, February 9, 12:00p.m.-1:00p.m.**

### **Irrigation, Water Quality and Treatment**
