FARM SUCCESSION WORKSHOP

- **Location:** York HACC Building: 2010 Pennsylvania Ave, York, PA 17404
- **Date & Time:** January 23, 2024, 9:30am - 3:00pm

Professionals in the agricultural industry will be providing valuable information to farm owners who want to ensure the farm is transitioned to the next generation. This event will be hosted in-person only.

The workshop is presented by PA Farm Link, in collaboration with Northeastern Risk Management Extension. PA Farm Link, a non-profit dedicated to "Linking Farmers to the Future", will provide information on various aspects of creating a Farm Business Succession/Transition plan. Often farm families discuss passing the farm business to the next generation, but get "stuck" on how to proceed. These workshops will help work through some of the myths and stumbling blocks of moving forward with a farm succession and transition plan.

York County speakers & topics include:

- Dave Marrison, OSU Extension: Farm Succession Planning
- Rob Goodling, Horizon Farm Credit: Financial Considerations
- Jody Anderson-Leighty, Stock & Leader: Legal Perspectives
- TBA: Farmer Panelists
- Darlene Livingston: Family Communications

Speakers will answer participant's questions and plan next steps. A farmer panel will also take place during the farm succession workshop to discuss farm succession with families who have previously gone through the process.

A copy of: "Planning the Future of Your Farm" Pennsylvania Edition and lunch will be provided for all registrants.

Registration is required and may be completed online at <https://pafarmlink.org/register-fsw-2024/> or by calling (717) 705-2121.

This material is based upon work supported by the National Institute of Food and Agriculture, U.S. Department of Agriculture, through the Northeast Sustainable Agriculture Research and Education program under subaward number ENE23-181-AWD00001024.
