

Drill-Seeding Blue Oak Acorns

The first in a series of workshops highlighting an oak drill-seeding project funded through the Western SARE Program.

Monday, January 13th, 2020

10am-Noon

Far View Ranch

1386 Kings Ranch Road,

Bangor, Ca

PROGRAM HIGHLIGHTS

- Demonstration of a tractor-mounted acorn drill-seeder.
- A detailed overview of the schematics, discussion about planting techniques and conditions (timing, soil moisture, etc.), and other factors related to planting oaks.
- General discussion on scaling-up restoration efforts to get more conservation bang for the \$buck\$!
