

Success with Stockdogs Workshop Evaluation

Name

1. Name three to five things that you learned here.
2. How has your 'vision' of stock work changed as a result of the workshop.
3. How is your operation going to be different with the assistance of a stock dog?
4. What specific ways are you going to incorporate stock dogs into your operation?
5. What are your goals for the future of your operation and how will learning to use the right dog benefit you and your operation?

6. Did the demonstrations help you envision how you can work on your own with your dog? What would you like to see next time?

7. As a result of the clinic what specific skills do you see that you need?

Skills you see your dogs needs?

8. Were your WANTS coming to clinic Different than the NEEDS you discovered while here? Give me specifics....

9. What parts did you find most helpful? Why?

10. What didn't you understand?

11. Suggestions for future clinics?
