Seed cleaning Trailer on site

Registration is Required

 **387 MASSACHUSETTS AVENUE**

Join us for an afternoon discussing and demonstrating seed cleaning techniques for both small and large scale processing

This is a free event! Space is limited.

Pre-registration is required by 5pm on Monday, Sept 30th

Register and reserve a cleaning time slot online at:

[https://cornell.ca1.qualtrics.com/jfe/form/](https://cornell.ca1.qualtrics.com/jfe/form/SV_1RFg4y42tgPZ3MO)

SV_1RFg4y42tgPZ3MO

or by calling CCE Erie at 716- 652-5400

CCE will have their seed trailer on site including a Sassagawa soybean thresher, a Winnow Wizzard, and small-scale tools including screens, fans, and abrasion tools to make quick work of extracting and cleaning seed.

Seed Cleaning Services by appointment from 3:00 – 5:00 pm for any dry seed (including cobbed corn) no wet ferment seed please.

Learn about Seed borne diseases and hot water bath techniques.

Bring or find seeds and farm related books to swap
