[Silvopasture Planning Tool | Google Drive](#)

To interact with the tool, you will need to enable the accounting functionality through the following:
1. Download the file from the Google Drive link above
2. Right-click it (cmd-click on a Mac)
3. Select *Properties* at the bottom of the pop-up
4. Check the 'Unblock' box at the bottom of the Properties pane.
5. Click OK
6. Once you open it, click 'Enable Content' in the yellow ribbon at the top.

Note from tool developer Kalvin Moschkau: Unfortunately, as of 2023, Microsoft requires this on all shared Excel files that use scripting. I'm looking into how to make the process more user friendly.

This tool was developed with grant funds received from North Central SARE.
