

Olives 101

What you need to know if you are considering a small orchard in Oregon

Javier Fernandez-Salvador & Tessa Barker. OSU Small Farms Program

Yes, olives do grow in Oregon! Learn about the land requirements, orchard establishment, physiology, and processing options for this up-and-coming crop. Plus, find out what the OSU Olea Project has been researching, lessons we have learned, and questions we are working on resolving.

Project funded by Western SARE research grant

OSU Extension Service prohibits discrimination in all its programs, services, activities and materials. Accommodation requests related to a disability should be made to Chrissy Lucas at (541) 766-3556 chrissy.lucas@oregonstate.edu.

Saturday, February 22
