Health Practices & Lunch

12:30-Wrap Up & Discussion

The Yellow Medicine Soil & Water Conservation District (SWCD) is hosting a lunch for farmers in your area! We want to provide an environment where farmers can sit down and talk with each other on different farming practices. Jerry Ackermann, farmer from Lakefield, MN, will have a 20-minute presentation during lunch on how he is getting the **most profit out of his farm land**. We encourage anyone who is interested to attend and have lunch. Feel free to invite other farmers as well.

Want to join us? Please RSVP to 320-669-4442 or  
brooke.buysse@mn.nacdn.net before July 19 to allow for a food estimate.

Thank You!
