How many people do you estimate you will share some aspect of this project within the next 12 months? 2

Producers – In the next year I am likely to use some aspect of this project to

- Adopt one or more of the practices shown
- Increase the operation's diversifications
- Reduce my use of purchased off-farm inputs
- Increase my networking with other producers
- Incorporate value-added into some aspect of my operation

<u>Yes</u>	<u>No</u>	NA

Professionals – In the next year I am likely to use some aspect of this project

- In an education program that I plan or participate in
- As a resource I will make available to producers
- As a professional development tool for my peers
- To improve advice/counsel I give to producers

Professionals – Please describe how you are likely to use some aspect of this project for an educational purpose?

I will teach the rest of the farmers growing w/h
(that farm on my 300 Acre parcel)
