Most participants rated the reading assignments from the course manual, video watching assignments, instructor's lectures, and breakout session discussions as very useful.

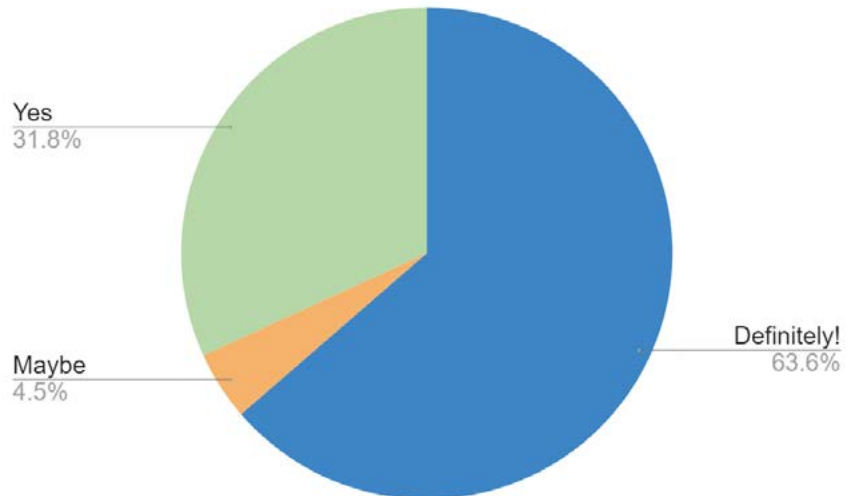

Q3 Do you feel more prepared to talk with farmers about the following topics after taking this course?

Q4 Would you recommend this course to a colleague?

Most participants rated the course manual, webinars, and instructors as excellent.

Q5 Do you have any additional comments or suggestions?

- Very nice class. Especially given that it had to be all virtual.
- Great course! Only thing is I would suggest moving the time back to early afternoon or something- starting at 9 on a Monday was pretty difficult. And could definitely extend the course, there is lots to talk about!
- Jam board sessions were surprisingly helpful to see others knowledge level, and wasn't so much pressure that I felt awkward.
- Thank you for putting all of this together it was great to have the diverse group of instructors just
- GREAT course! The format was exceptionally engaging, the speakers made the material very accessible and the tone of the class was friendly, supportive, and fun. The website was easy to navigate and provides great additional info with videos and the list of additional resources.
- This was a great course. Good job!
- Great training, thank you!
- Although this was a different setting for trainings, I felt that each was well prepared for and that the online version was smooth. I look forward to other training opportunities from RC&D
- Can we know/get contact list of the participants that were in this entire training so that we can continue our connections and networking?
- I thought this was one of the best, and most useful trainings I've ever taken. The manual, aside from a few typos, is a perfect guide. I really appreciated the reading assignments, I got a lot out of them.
- This was a great course. Good job!
