

TOFGA Session Evaluation - 2016

Value-Added processing - Sue Beckwith & Robert Maggiani

Attendees 25

Very positive response. Many are eagerly awaiting results at TOFGA 2017 conference.

Q1 - Did you learn something useful in this session?	A	M	N
	Yes Absolutely	Yes, moderately	No
	17	3	0
Q2 - Do you expect to use information you learned in this session?	A	M	N
	Yes Absolutely	Yes, moderately	No
	13	7	0
Q3 - Would you attend another session by this/these presenter/s?	A	M	N
	Yes Absolutely	Yes, moderately	No
	19	1	0

Q4. What do you still need on this topic? And comments.

Legal issues with va; produce -vs- meat; where to start with labelling; how fermentation works with VA.

Really look forward to next year's workshop to find out how well the project went this year.

Great session

Want a zone on DFW in TLF Zone dir

Session could have been longer

More on DFW in TLF Zone; Add me to email list. Selia Williams. bumpersticker77@att.net

laws and regs on VA in TX; Production costs, profitability

Results next year!

Most informative session yet! Thank you! quepasaranch@gmail.com Laura Thompson

What happens when you've added money to these products and now there's no market - you've lost even more money.

Barcode?

Labelling is an opportunity; website is a great resource - smart! buyer - Austin Moore HEB
