\1 Plant method: DS=direct seed; TR=transplants; number after TR is the number of days from seeding to transplanting.

\2 Braising mix at RR included separate blocks of the following varieties: Mizuna, Dark Purple Mizuna, Red Rain, Yukina Savoy, Tokyo Bekana, Golden Frills, Ruby Streaks (all from Johnny's Selected Seeds), Lime Streaks (from Harris).

\3 Mustard varieties included separate blocks of Red Giant, Green Wave, Spicy Green, and Dragon Tongue.
