VIRTUAL FIELD DAY FRIDAYS

NORTHWEST CROPS & SOILS PROGRAM

Tune in online for the following Fridays to see pre-recorded, in-field presentations followed by a live question and answer session with members of the NWCS team. Learn all about a selection of the numerous research trials, crops, and agronomic topics growing/happening at Borderview Research Farm in Alburgh, Vermont.

More information on the series and how to access it can be found at: <http://go.uvm.edu/conferences>

One (1) Certified Crop Advisor credit available per webinar. Email susan.brouillette@uvm.edu your CCA number.
