

Timeline											
	2020			2021					2022		
	August	Sept-Oct	Nov-Jan	Feb-Mar	Apr-Jun	Jul-Aug	Sept-Oct	Nov-Jan	Feb-Mar	Apr-Jun	July-Aug
Objective 1: Point Source Control											
Research & Design	Research and Design										
Construct Exclosures & Establish Plots	Plot Construction/Est.										
Vegetation Sampling	Veg. Sampling										
Herbicide Application		Herbicide									
Data Analysis									Data Analysis		
Annual Report							Annual Report				Annual Report
Objective 2: Seed Mix Greenhouse Trial											
Research & Design	Research and Design										
Sample Soil	Fall Sampling				Spring Sampling	Fall Sampling				Spring Sampling	
Soil Analysis	Lab Analysis										
Obtain Seed			Obtain Seed								
Green House Trial			Green House Trial								
Data Analysis			Data Analysis						Data Analysis		
Annual Report							Annual Report				Annual Report
Objective 3: Seeding Field Trial											
Research and Design	Research and Design										
Implement Seeding Methods				Seeding							
Vegetation/Biomass Sampling						Veg./Biomass					Veg./Biomass
Data Analysis									Data Analysis		
Annual Reprot							Annual Reprot				Annual Report
Additional											
Pamphlet Design/Distribution									Pamphlet Design/Distribution		
Field Days and Presentations									Field Days and Presentations
