

Western Region Sustainable Agriculture Research & Education Program Outreach Survey

Name (optional): KLLHizola, Global Seed Savers

Date of Event: October 21-26, 2018

Everyone

Please circle one

Improved my awareness of the topics covered	Yes	No	NA
Provided new knowledge	Yes	No	NA
Provided new skills	Yes	No	NA
Modified my opinions and/or attitudes	Yes	No	NA

How many people do you estimate you will share some aspect of this project within the next 12 months? **At least 150**

Producers – In the next year I am likely to use some aspect of this project to

Adopt one or more of the practices shown	Yes	No	NA
Increase the operation’s diversifications	Yes	No	NA
Reduce my use of purchased off-farm inputs	Yes	No	NA
Increase my networking with other producers	Yes	No	NA
Incorporate value-added into some aspect of my operation	Yes	No	NA

Professionals – In the next year I am likely to use some aspect of this project

In an education program that I plan or participate in	Yes	No	NA
As a resource I will make available to producers	Yes	No	NA
As a professional development tool for my peers	Yes	No	NA
To improve advice/counsel I give to producers	Yes	No	NA

Professionals – Please describe how you are likely to use some aspect of this project for an educational purpose?

There are definitely numerous lessons that we can use to improve the curriculum that our non-profit organization has on seed saving. We’re very likely to use aspects of this project for our upcoming trainings. What we learned from the training will definitely impact the operations of the Benguet Association of Seed Savers and would-be seed saving groups in my country.
