Dear Bangor Fifth Grade Teacher –

We would very much appreciate two things from your trip to “Bees, Please!” today:

1. A brief summary of your impressions of **how your students reacted** today to their visit to the visitor center and their walk on the trail
2. **Your personal reaction** to the trail and center and also the overall visit here today.

**Students** (on a 1 – 5 scale) :

1. Did they have a good learning experience? \_\_\_\_
2. Did they seem interested in the presentations? \_\_\_\_
3. Were they enthusiastic about the trail experience? \_\_\_\_
4. Would they come back? \_\_\_\_

Your specific comments:

**Teachers** (on a 1 – 5 scale) :

1. Did the visit reinforce what you presented in the classroom? \_\_\_\_
2. Was the material effective in explaining the ecosystem? \_\_\_\_
3. Would bring another class back? \_\_\_\_
