

# The Top Ten Reason for NSIP to Partner with LAMBPLAN

# The Top Ten Reason for NSIP to Partner with LAMBPLAN

---

10. Sustainability

# The Top Ten Reason for NSIP to Partner with LAMBPLAN

---

## 9. Capacity

- Human resources
- Technical excellence
- Software and internet tools

10. Sustainability

# The Top Ten Reason for NSIP to Partner with LAMBPLAN

## 8. Smart Data Input

- Easy, customized data-input software
- Extensive data-checking capacity
- All your data resides on your desktop
- Electronic data input and reporting

9. Capacity

10. Sustainability

# The Top Ten Reason for NSIP to Partner with LAMBPLAN

---

## 7. Compatability

- The traits you are used to.
- NSIP Adjustments and Parameters
- Imperial units (pounds, inches, etc)

- 8. Smart data input
- 9. Capacity
- 10. Sustainability

# The Top Ten Reason for NSIP to Partner with LAMBPLAN

## 6. Impact and Access

- NSIP will maintain an active U.S. presence
- U.S. representation on LAMBPLAN Technical Committee

- 7. Compatability
- 8. Smart data input
- 9. Capacity
- 10. Sustainability

# The Top Ten Reason for NSIP to Partner with LAMBPLAN

---

5. Continued Capacity for R & D for the American Sheep Industry

6. Impact & Access  
7. Compatibility  
8. Smart data input  
9. Capacity  
10. Sustainability

# The Top Ten Reason for NSIP to Partner with LAMBPLAN

## 4. A Genomics Portal

---

5. Continued R&D

6. Impact & Access  
7. Compatibility  
8. Smart data input  
9. Capacity  
10. Sustainability

# The Top Ten Reason for NSIP to Partner with LAMBPLAN

## 3. More Traits

- Ultrasound scanning traits
- Adult ewe weights
- Parasite resistance
- Number of lambs weaned
- OFDA fiber measurements

- 4. Genomics Portal
- 5. Continued R&D
- 6. Impact & Access

- 7. Compatibility
- 8. Smart data input
- 9. Capacity
- 10. Sustainability

# The Top Ten Reason for NSIP to Partner with LAMBPLAN

---

## 2. Cool Reports

- Individual flock genetic trends
- Sortable EPD lists
- Automatic selection indexes

3. More Traits

4. Genomics Portal

5. Continued R&D

6. Impact & Access

7. Compatibility

8. Smart data input

9. Capacity

10. Sustainability

# The Top Ten Reason for NSIP to Partner with LAMBPLAN

## #1. Instant Gratification

- Whatever you want and as often as you want it.

2. Cool Reports
3. More Traits
4. Genomics Portal
5. Continued R&D

6. Impact & Access
7. Compatibility
8. Smart data input
9. Capacity
10. Sustainability

# The Top Ten Reason for NSIP to Partner with LAMBPLAN

---

## #1. Instant Gratification

- Records are processed on demand
- Electronic submission of data direct from Pedigree Wizard
- EPD Reports returned within 2 weeks of submitting data
- Submit new data as it is collected and receive updated EPDs

# The Top Ten Reason for NSIP to Partner with LAMBPLAN

---

## #1. Instant Gratification

- Immediate access to EPDs to select, purchase, cull, and market genetics
- Avoid keeping animals with poor EPDs
- Always have EPDs available for breeding decisions
- Avoid accidentally selling superior animals

# The Top Ten Reason for NSIP to Partner with LAMBPLAN

1. Instant Gratification
2. Cool Reports
3. More Traits
4. Genomics Portal
5. Continued R&D
6. Impact & Access
7. Compatibility
8. Smart data input
9. Capacity
10. Sustainability
